{This is the second of 5 reports leading to the conclusion of Pledge Drive II in December 2013}

December 8, 2011

Greetings in the name of our Savior!

On this first anniversary "Growing Together, Building Community" I wish to acknowledge the work of the Holy Spirit among us. The Spirit's prompting to "do what is right" is honored by very many here at St. Anna's! Your sacrifices truly honor our Lord! After one year into our 3-year Second Campaign we are 36% of the way to our goal....keep this up and we will be moving in 2014!
